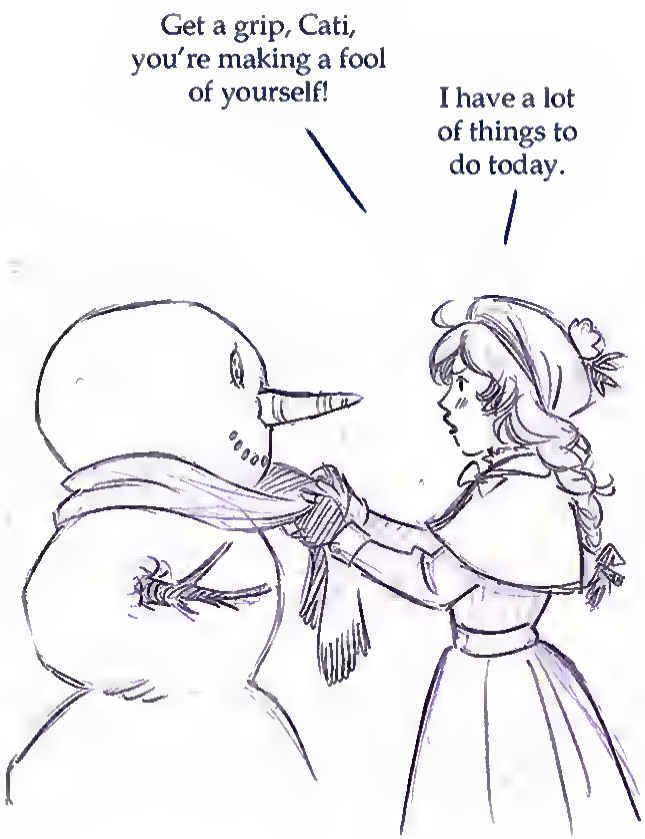
D-do you
mean it?

You were thinking of me the whole time?

Oh my,
the things
you say!!
This is so
embarrassing!

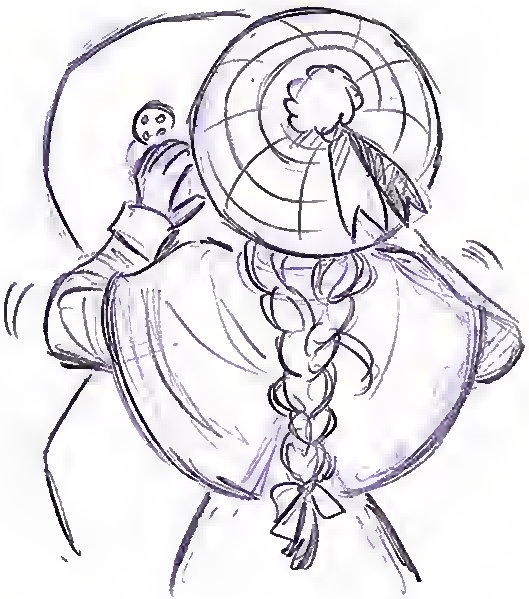
Hee hee!

Oh, no!
Not again!
What's wrong with me this morning???



Get a grip, Cati, you're making a fool of yourself!
I have a lot of things to do today.

I've got to finish this snowman, and then learn to cook.



I'll become a great cook, and then everybody will have no choice but to admire my skills!

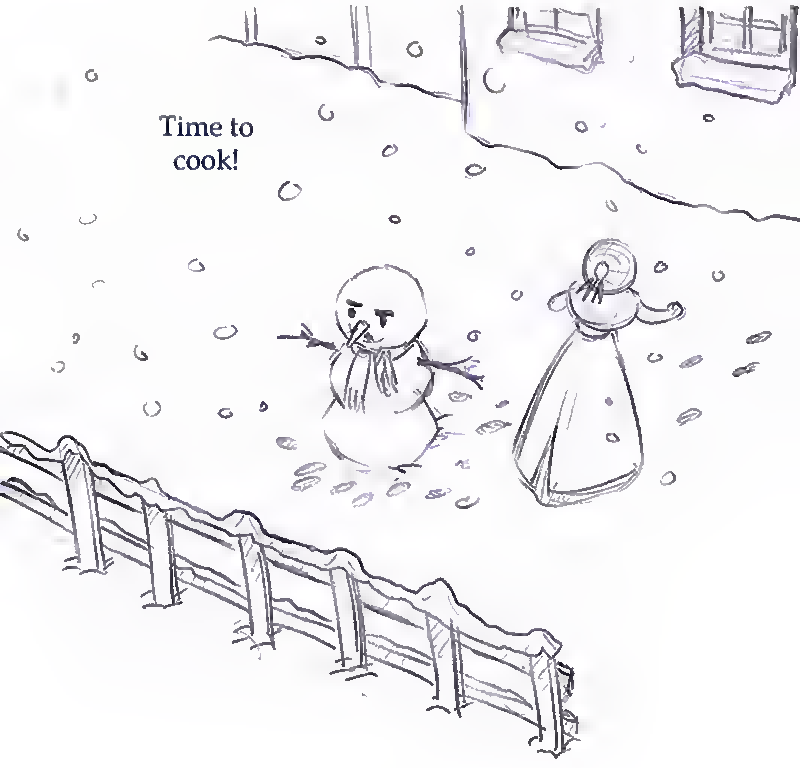
Task
number 1:
done!

Ho ho!

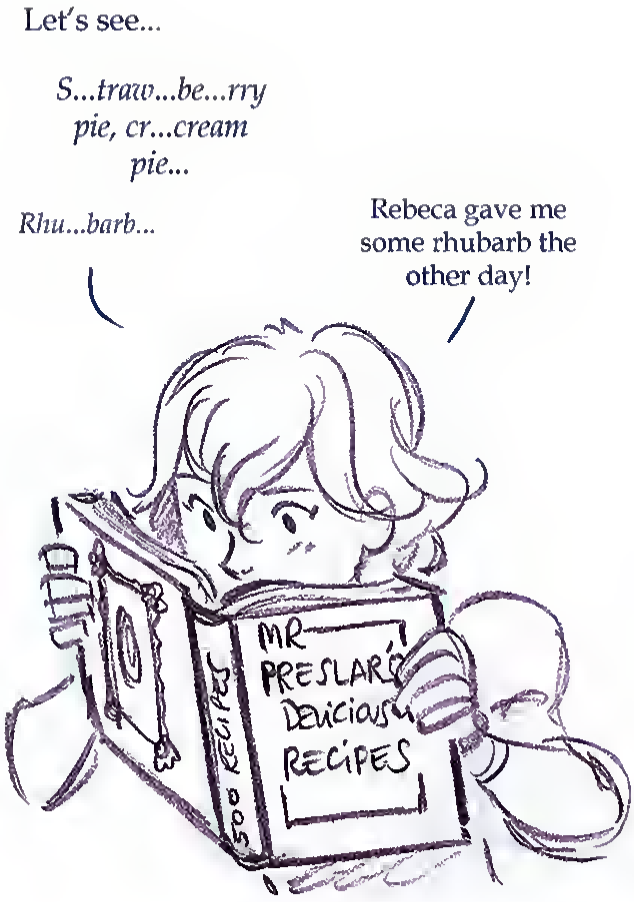
That mustache looks good on you, Mister Snowman!

You sort of remind me of...

Ugh!!!
I have to stop!



Time to
cook!



Let's see...
S...traw...be...rry pie, cr...cream pie...
Rhu...barb...
Rebeca gave me some rhubarb the other day!
MR PRESLAR'S DELICIOUS RECIPES
500 RECIPES

I could make a rhubarb pie... I've never tried it, but it looks tasty.

La la
la...
I've been a wild
rover for many's
a yeeeear...

... I've spent all
me money on whiskey
and beeeeer.
But now I'm
returning with gold in
great stoooore...
And never will I
play the wild rover
no mooooore!

*And it's No, Nay, Never,*
*no, nay, never no moooore.*
*Will I play the wild rover...*

No never no
mooooore!

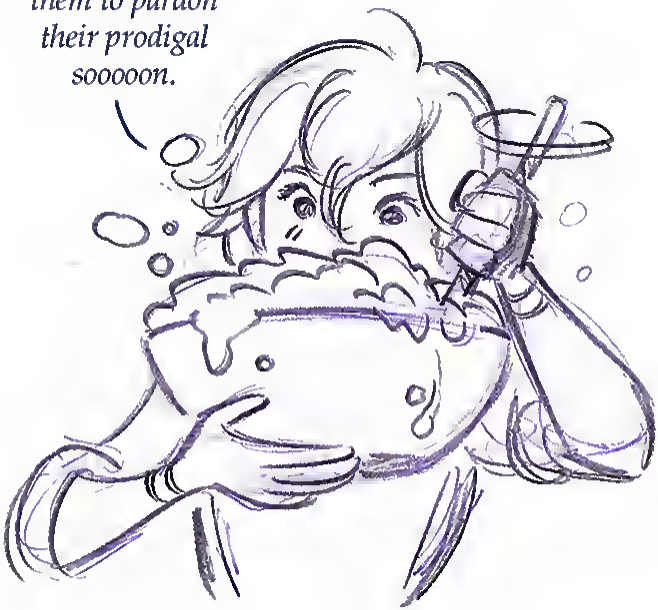
Wait a moment,
I thought this was
rhubarb...
But it's
celery!

Maybe it will
work anyway...

My instincts say it will, but I'm going to switch it to chocolate, just to be safe.

*I'll go home to my parents, confess what I've doooone...*

*And I'll ask them to pardon their prodigal sooooon.*



*And, when they've caressed me as oft times befoooore...*

*I never will play the wild rover no mooore!*

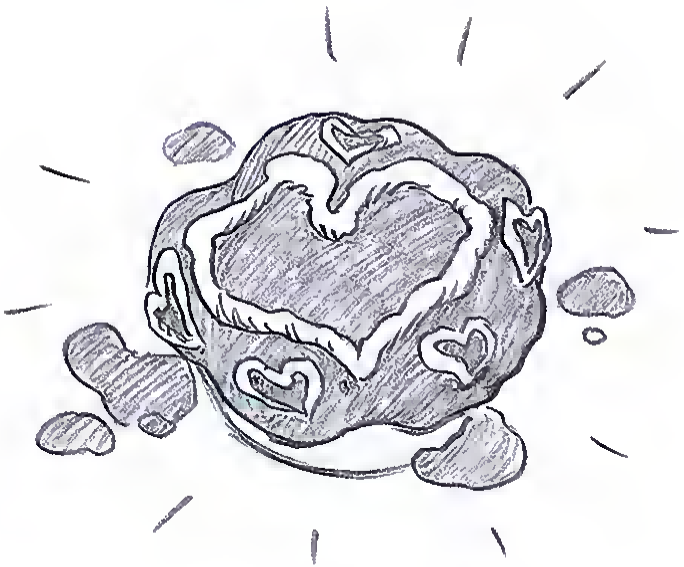
And it's No, Nay, Never. No, nay, never no moooore...
Will I play the wild rover...

*No neveeer no moooore!*

And now a little touch of cream to decorate and...

Oh, no.
Did I draw all those...

...hearts?



Ugh,
I think I really,
really like
him.

Ok, I'm going to talk to him!
A woman's got to do what a woman's got to do!

I'm going to tell him that I want to see him more often...
... and if he mocks me, I'll go to live to the mountains and never see him again!

Uh...

Good morning, Cati.

This was a little short, but the next one will be way longer, I promise!!!

And before saying goodbye until next week let me show you a little recap I made when I was on Discover. It was meant to be posted before this chapter, but I thought it was pointless to do the same this time. However, here you are in case you want to see the doc in his red Long Johns.

# -RECAP-

THIS IS WHAT HAPPENED:

Our hero made a terrible mistake!

Made a public statement!
I like her!!!

And left his house in his undies to ask Cati on a date!

That was all for today. Have a fantastic week!
